Disability Awareness for All

Book list

Title	Blurb	Front cover	QR code
Mixed-economy Mission: Collaborative Ministry for Multi-church Growth (2019)	This case study examines how a creative reimagining of church organization, local collaboration and vision has led to regrowth and missional vigour in formerly worn out and isolated congregations.		
How to Include Autistic Children and Young People in Church: Creating a Place of Belonging and Spiritual Development for All (2021)	This practical guide provides useful advice on how to make church a space where autistic children and young people can thrive.		
Worship and Disability: A Kingdom for All (2018)	This booklet is for church members and leaders, with or without disabilities, to help them look at their worship and its context through new eyes, and to suggest easy ways of improving accessibility.

Being Disabled, Being Human: Challenging Society's Perception of Disability and Personhood (2022)	This booklet explores the daily reality of living as a disabled person within the confines of the non-disabled world.		
Good News for the Poor (2021)	This in-depth discussion explores the lived experience of the poor in India, and argues that the good news of God's kingdom can break the chains of the past, give hope for the future, and build an international and cross-cultural community of care.		
True Beauty: Finding Grace in Disabilities (2007)	We encounter people with profound learning disabilities, we discover a new value in being human, and so a new way of being before God.
